**Richard C. Holt**

Richard C. Holt was born in Connecticut on May 16, 1941 to Merritt and Annie Holt. As a child, his family relocated to Maine where Richard's father drove a milk truck. From a young age, Richard was a hard worker helping his father deliver milk. Richard graduated from Skowhegan High School in 1960. He had several jobs from driving a milk truck to working for Pete Cote's store to Cianbro and then on to Solon Manufacturing. He retired from Solon Manufacturing in 2003.

Richard served his beloved Town of Norridgewock for many years in many different positions. He has served as Selectman, Tax Assessor, KVCOG and First Park. He still serves as Sewer Commissioner, and is on the Somerset County Budget Committee.

Richard enjoys time with his family and friends playing bingo and slot machines.

Richard's true passion in life has been his family. Richard married Ernestine Bailey on April 5, 1963. Together they raised two children in the Town of Norridgewock. Richard enjoys spending time with his wife of over 50 years, his son Richard A. Holt, daughter Kimberly J. Foster, son-in-law David S. Foster, grandsons David S. Foster Jr. and Caleb M. Foster.

**Lloyd Ellery Brown**  
**"Brownie"**  
**1936-2011**

Ellery or Brownie, as he was known by friends and family, was born in Norridgewock in 1936. He was the youngest of ten children born to Elsie and Lester Brown. There was Bea, Barbara, Ruth, Jake, Herbert, Robert, Clayton, Harold and Richard. Harold and Richard are the only remaining siblings.

When Ellery was a young boy he collected scrap metal for the war effort and helped support his mother at a young age working at a local grocery store in Norridgewock. He married the love of his life, Geneva Morgan, when he was eighteen and soon after moved to Connecticut to go to work at Pratt and Whitney Aircraft. Together Ellery and Geneva raised three children. Ellery had three jobs and eventually started Brownies Janitorial Service in 1963. It turned into one of the largest cleaning services in central Connecticut employing more than forty people until he sold it and moved back to Norridgewock in 1980. Ellery started his cleaning service again in the Central Maine Area. He also drove a school bus for SAD #54 and worked for the Norridgewock Water District from 1985 – 2005 of which he was Superintendent for 19 of those years. Ellery was a volunteer fire fighter for the Norridgewock Fire Department for many years starting in August of 1984.

Ellery loved life and made the most out of every day. He was a people person with a great sense of humor who loved to harass Red Sox fans while being a diehard Yankee fan. He also loved to play his guitar and sing old country and western songs. He especially liked, "I Did It My Way" by Frank Sinatra, and anyone who knew him would tell you that he did do it his way. He also loved to play poker with "the boys" and did so right up to his last day. Ellery was a generous person and would often help people less fortunate than him. He made many friends of all walks of life. It didn't matter who you were, Ellery would make everyone he met feel special. Whether it be the Attorney General, or someone who may be down on their luck, there were so many stories of generosity and friendships that he made throughout his life. He would sometimes get involved with town politics and I know he would be proud and honored to be included in this year's dedication.

Dear Friends,

Since arriving to the U.S. Senate last January, I have been looking for ways to provide Mainers with improved access to federal services through the use of digital technology and on the ground outreach initiatives. Maine is a rural state and I know that traveling to our offices can present both logistical and financial challenges.

To help overcome those obstacles, I launched our signature **Your Government Your Neighborhood** outreach program in June 2013. Every other week members of my staff in Maine travel to different towns – ensuring that all 16 counties are served each month - to hold constituent office hours for local residents.

Over the past eleven months my work in Washington has been largely shaped by the four committees that I serve on: Armed Services, Intelligence, Budget, and Rules. These appointments allow me to engage on issues important to Maine and help craft legislation before it comes to the Senate floor. On the Armed Services Committee I work with my colleagues to honor our obligations to members of our armed forces both past and present, as well as ensure the continued strength, efficiency, and sustainability of our military. On the Intelligence Committee I work to effectively mitigate security threats facing our country while also establishing measures to guarantee that the privacy rights of U.S. citizens are protected. On the Budget Committee, I am working to ensure that necessary spending is tempered with fiscal responsibility, and my position on the Rules Committee allows me to push for procedural reforms that remove institutional inefficiencies and help move the country forward.

I am tremendously grateful for the opportunity to serve you and determined to keep you informed of my activities in Maine and Washington. As always, I welcome any thoughts, questions, or concerns that you may have. ## United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is a privilege to represent Maine in the U.S. Senate, and I welcome this opportunity to share some of my work from the past year.

Encouraging the creation of more jobs remains my top priority. I have developed a Seven Point Plan for Jobs in Maine, which includes proposals to spur small business investment, ensure robust workforce education and training, reduce regulatory red tape that stifles job creation, support Maine agriculture and manufacturing, and invest in the infrastructure needed to expand our economy. Traditional industries and small businesses remain the backbone of Maine's economy, and innovation will be important for future jobs as well. I have supported Maine's effort to lead the world in deepwater wind technology and was proud when the University of Maine and its private sector partners launched the first prototype this year. This emerging industry has the potential to create thousands of good jobs here in Maine.

BIW remains a major Maine employer and is critical to our national security. I have worked hard to support the Navy's request for a 10<sup>th</sup> DDG-51 and to continue construction on the DDG-1000s at the shipyard. This year's annual defense policy bill also contains more than 30 provisions to eliminate sexual assault from our military, including several provisions that I authored.

Partisan divisiveness in Washington continues to prevent us from addressing some of our nation's most serious challenges. Gridlock reached a peak in October with the federal government shutdown that pushed our country to the brink of defaulting on its financial obligations and damaged our economy. As the shutdown continued with no end in sight, I presented a proposal I believed both sides could support. Within days, I was leading a bipartisan coalition of 14 Senators that worked night and day to craft a plan to reopen government, avert default, and restart negotiations on a long-term plan to deal with our nation's unsustainable debt of more than \$17 trillion. Known as the "Common Sense Caucus," we will continue to work to develop solutions and bridge the partisan divide.

Earlier this year, across-the-board federal spending cuts known as "sequestration" took effect. These indiscriminate cuts jeopardized priorities from national security to medical research and stand in stark contrast to the thoughtful and thoroughly debated spending priorities set at town meetings throughout Maine. To bring some Maine common sense to this process, I authored bipartisan legislation to allow federal agencies to set priorities in administering the required cuts and wrote a new law to ensure that sequestration would not disrupt air travel, which plays such an important role in fueling Maine's tourism economy.

I have also enjoyed my work as the ranking member of the Senate Special Committee on Aging where, with Senator Bill Nelson of Florida, we work on issues of critical importance to Maine seniors. The committee has created a toll free hotline (1-855-303-9470) to make it easier for senior citizens to report fraud and scams and to receive assistance. I also serve as the Senate Co-Chair of the task force on Alzheimer's, a devastating disease that takes a tremendous personal and economic toll on more than five million Americans. Better treatment for Alzheimer's and ultimately finding a cure should be an urgent national priority.

Finally, I am proud to reflect our famous Maine work ethic by completing another year of service without missing a single roll call vote. I have not missed a vote since I was elected – a streak that stands at more than 5,300 in a row.

May 2014 be a good year for you, your community, and our great State of Maine.

Sincerely,

Susan M. Collins  
United States Senator

January 2014

Dear Friends:

Last year saw some of the most bitterly partisan political fighting in Washington in recent memory. However, the gridlock in Washington has not slowed my efforts to fight for Maine's businesses and industries on the national and international level. I will continue to visit and speak with Maine's small businesses and manufacturers to hear firsthand about their successes and challenges. This is an important part of my ongoing "Make it in Maine" agenda which consists of initiatives to boost domestic manufacturing and support job growth in our state.

In 2014, it will be my great honor to continue serving our nation's veterans as the Ranking Member of the House Veterans' Affairs Committee. Over the course of the last year, I worked with Representative Jeff Miller (R-Florida), the committee's chairman, to pass a number of bills important to veterans. Some that we passed would reduce the VA's disability claims backlog, help get veterans their compensation faster, and improve training and educational opportunities. One critical measure we advanced through the committee would ensure that all VA programs receive funding a year in advance so no veterans will have to worry about services being disrupted.

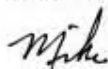

While I am proud of these accomplishments, I know there is still so much to do. I will continue to fight for new advances in areas such as veteran employment, veterans' health care, and the ongoing concerns with the VA claims backlog.

I believe Washington is at a crossroads. There are many members of Congress on both sides of the aisle that truly want to get things done for the people they represent. Congress needs to work together to get things done and make Washington work again. I continue to be committed to making that happen, and continue to regularly meet with Democrats, Republicans, and Independents to forge a way forward.

As we move forward into a new year, my highest priority remains ensuring that Mainers receive timely and quality constituent services. Whether you have a specific concern with a federal agency or need help connecting to resources, please don't hesitate to reach out to me at any of my offices. I also encourage you to visit my website ([www.house.gov/michaud](http://www.house.gov/michaud)), where you can email me as well as connect with me on Facebook and Twitter.

Thank you again for the opportunity to represent you in Congress.

## **Annual Report to the Town of Norridgewock**

A Message from Senator Rod Whittemore

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent the Town of Norridgewock in the Maine Senate. It has been an honor serving on your behalf to make Maine an even better place to live, work and conduct business.

The 126th Legislature adjourned its First Regular Session on July 10, 2013. The year began with a daunting task: covering an \$880 million shortfall in the state's two-year budget that was caused mainly by cost overruns in Maine's Medicaid program. We were able to bridge this gap without reversing the largest income tax cut passed in state history by the previous Legislature. These tax reductions benefitted low and moderate-income residents most, and taking them away would have represented a big step back for a state that has historically had one of the highest tax burdens in the country.

One of the Legislature's most significant achievements this session was finally paying off Maine's massive debt to its hospitals, which totaled \$484 million at the beginning of 2013. The Legislature approved a plan that allows the state to use a revenue bond to pay off the debt and use the proceeds from a renegotiated state liquor contract to pay off the bond. The debt was the result of Medicaid services provided by 39 Maine hospitals for which they were never reimbursed, dating back to 2009.

The Legislature also approved the bipartisan Omnibus Energy Bill, which addresses reducing the cost of energy in Maine, cutting back on greenhouse emissions, and making money available to insulate Maine homes. This legislation when fully implemented will increase natural gas capacity and improve connection to underserved areas of Maine, provide funding to help companies cut back on greenhouse emissions and give rebates to homeowners who switch from oil to natural gas or other more efficient heating systems, and provide funding to help homeowners improve insulation.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my assistance in navigating the state bureaucracy. I would be happy to help in any way that I can. Additionally, please let me know if you would like to receive periodic updates on legislative matters. I may be reached in Skowhegan at 474-6703, in Augusta at 287-1505, or by e-mail at [rodwhittemore@gmail.com](mailto:rodwhittemore@gmail.com).

Sincerely,

Rod Whittemore, State Senator

January 30, 2014

Dear Friends and Neighbors:

It has been a pleasure to serve District 86 in the Maine House of Representatives. It is an honor to have your confidence and please be assured that I am working hard to help solve the problems facing Maine families.

I am a member of the Health and Human Services Committee, and my experiences as a doctor have been helpful to that committee. I was also appointed to a committee that met last fall to look at health care costs and transparency and I have recently been appointed to a State Council on substance abuse.

I am looking forward to working with both Democrats and Republicans to find practical solutions to the challenges that face all of us. I am particularly interested in health care issues, creating jobs for our communities, solving drug addiction problems, strengthening our education system, making college affordable and reducing our dependence on foreign oil.

One of my bills recently passed into law and will help schools across the state improve their energy efficiency and save money by borrowing money for weatherization, solar panels, alternative heating systems and other energy efficiency upgrades. The loan is paid for with the energy savings alone, generated by the efficiency upgrades, so there is almost no cost to the schools. . This will help create jobs around the state, enable schools to reduce their long-term energy costs, reduce our dependence on foreign oil and reduce carbon emissions.

On the agenda at town meeting is joining the PACE loan program. I hope that Norridgewock will take advantage of this program through Efficiency Maine. This program provides low interest loans for home energy upgrades, including weatherization, solar panel installation, heat pumps, different lighting systems or upgrades to home heating systems. This could save people a lot of money in heating and electricity costs.

I am also working on an initiative to create jobs for felons, by partnering with the Somerset County Jail to help reduce recidivism and get these people back into the community as productive members.

I have also spent time volunteering to help homeless veterans. Homelessness is on the rise in Maine and we need to take steps now to reverse this disturbing trend. It is my hope that Maine can be the first state to end veteran homelessness. We have a solemn responsibility to care for our veterans, and no veteran should lack the security of having a roof over their head at night. If we can eliminate homelessness among veterans in our state, it will be a positive step toward ending all homelessness.

Last summer I sponsored an Energy Expo at the Madison High School and hope to do this again, probably in August. Lectures from the Expo on weatherization, geothermal energy, demand hot water heaters, Efficiency Maine programs and others can be found on my website. I also just did a forum on avoiding being scammed, with the guest speaker our Attorney General, Janet Mills. This was taped and shown recently on the Madison public access TV station (Channel 11) – I hope to have that on my website soon if people want to watch it.

If you wish to contact me, please feel free to email me at [anndorney@gmail.com](mailto:anndorney@gmail.com) or call me at (207) 561-0415. My website is: [anndorney.com](http://anndorney.com)

Sincerely,

## **Board of Selectmen & Town Manager's Report**

It is with great pleasure that I submit the following report on behalf of the Board of Selectmen and myself for the fiscal year ending December 31, 2013. During this past year we have worked on several interesting projects.

**The Public Works Garage ~** At the Annual Town Meeting in March, residents of Norridgewock voted to decrease the amount of money used on road construction, and to increase the appropriations for the Public Works Garage. This project was placed out to bid in June and after extensive negotiation with the contractor, we were able to redesign the construction and adjust the price so that we could afford to start construction. In September of 2013 the Board of Selectmen awarded the contract to construct the 3-bay addition to the Public Works Garage to Ganniston Construction Corp in the amount of \$363,000.00. This year we are requesting that the remaining \$45,000.00 be raised in the Capital Reserves budget, so that construction can be finished. Total estimated cost of project: \$434,000.00.

**Road Projects ~** Construction, construction, construction...no matter where you traveled this summer, there was construction. For most of 2013, our town was boxed in by projects such as MDOT's Rt 8, Smithfield/Norridgewock reconstruction project, and overlaying of Rt 2. Summit Natural Gas's pipeline installation on Rt 139, 201A, Sophie May Ln and Upper Main St. 2014 will present more of the same as many of these projects enter their second year of construction.

The Board of Selectmen, with the advice of the Road Committee voted to place out to bid the reconstruction of the dirt section of Burrill Hill Road and correct drainage issues in the already paved section. Bids for this project came in too high and the project was scaled back and rebid. In July the contract was awarded to Manter Construction of Maine for the reconstruction and paving of the dirt section of the Burrill Hill Road in the amount of \$310,523.25. This project should be completed in the Spring of 2014.

The Board of Selectmen also placed out to bid an overlay project for a small section of Winding Hill Rd. The bids for pavement were too high and the project was placed on hold for the future.

**Airport ~**The Central Maine Regional Airport completed a few projects this year. We have installed a new credit card system at the fuel pumps. This system is more secure and more accurate than our old manual system. We had the electricity installed for the 9 new hangar lots that we have available. With the assistance of MDOT we were able to purchase the GARD system to track and record all of our radio transmissions. This software is extremely beneficial tracking radio interference or if there is a plane crash.

**Junk Yards ~** There is a great amount of effort being put forward to have residents clean up illegal Automobile Graveyards and/or Junkyards. We have identified many properties that are in violation and are working with multiple property owners regarding their clean-up process.

We continue to collaborate with surrounding communities and organizations to keep costs down. We once again partnered with Fairfield, Waterville & Winslow for our winter sand. This past year

the Town Manager continues to be part of: a Regional Transportation Group working with KVCAP for year round public bus transportation services; the Kennebec Valley Council of Governments (KVCOG) as a member of the Board of Directors, and Firstpark as a member of the Executive Committee. We will continue to look for ways to partner and cost share with our neighboring municipalities and organizations. Any suggestions or ideas would be greatly appreciated.

Property Taxes continue to be a top priority. We are constantly looking for new and improved ways to keep taxes down and services up. As the State of Maine cuts Municipal Revenue Sharing and continues to impose unfunded mandates, the task of keeping property taxes down is becoming more difficult. Please remember that if Norridgewock is your primary residence, be sure you have the Homestead Exemption, which for the 2013 tax year saved residents \$166.05. This shows as an \$8,100.00 exemption on your tax bill. Please contact the Town Office for details on how you can file for this or other exemptions to potentially save money on your taxes.

At the back of this book, the spreadsheets that were used by the Board of Selectmen and Budget Committee throughout this year's budgeting process are available. These spreadsheets provide in-depth information about how the Town spends the funds appropriated by you at Town Meeting and show how the dollar amounts for the 2014 Town Meeting were calculated. Please remember that the Town does not "line item appropriate" and that the individual line items are used for monitoring and projecting needs.

Like us on Facebook and visit the Town's website for information on what's happening in Town government. [www.townofnorridgewock.com](http://www.townofnorridgewock.com).

We encourage you to attend the Board of Selectmen's meetings on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of each month at 6:00 pm. As always, we welcome your ideas and comments.

We would like to thank all of the members of the Town's personnel and the many volunteers that dedicate their time to enhance our community. We look forward to the coming year and hope that you will take an interest in working with us toward a bright future.

Respectfully Submitted,

The Board of Selectmen,

Ronald Frederick, Chairman

Matthew Everett, Vice Chairman

## **TOWN CLERK'S REPORT 2013**

In 2013 there were 19 Deaths, 20 Marriages and 16 Births in Norridgewock.

We licensed 469 Dogs which sent \$2,104.00 to the State, \$816.00 to the Animal Control Fund, \$469.00 to the Town of Norridgewock, and \$925.00 in Late Fees which also went to the Town.

### **NORRIDGEWOCK GENERAL INFORMATION**

We did 1312 Department of Inland Fisheries and Wildlife transactions which include Hunting and Fishing Licenses and Boat, ATV and Snowmobile Registrations. \$48,980.80 went to the State and \$5,796.10 stayed with the Town of Norridgewock.

The Town of Norridgewock encompasses 49.7 square miles and has 55 miles of Town Roads.

## **Planning Board**

### **THE NORRIDGEWOCK PLANNING BOARD**

The Norridgewock Planning Board is an elected volunteer seven member board. The Planning Board is a non-revenue producing, land use regulation entity. The Board accepts and checks applications for development to be sure that such development follows all State and Norridgewock Ordinances. We also amend and create new Town Ordinances to keep Norridgewock current with State laws.

The Board meets the second and fourth Thursday of each month at 6:00 PM at the Town Office Meeting Room.

## **Public Works Department**

The Town of Norridgewock's Public Works department has been very busy this past year. Mother Nature once again provided many heavy rain events throughout all seasons and 24 storm events. A lot of these events were ice related.

In April of 2013 we had a surprise inspection by the Maine Department of Labor, and are happy to report that there were no violations within our department. We are all very proud of the Public Work's staff's accomplishments.

In June, Joseph Bishop, Public Works Foreman, received the Maine Local Roads, Roads Scholar Award. This honor is given to individuals who have completed training in an effort to achieve a solid foundation in local road technical and management skills. Thank-you Joe, for helping to make Norridgewock's road maintenance practices the best they can be.

In August, the departments of Public Works and Codes Enforcement partnered with a local contractor for compliance with the State of Maine's, Department of Environmental Protection's Best Management Practices required certification program. We scored 9 out of 10 and have been certified by the State of Maine.

This year's major road project was the reconstruction and drainage improvements of the dirt section of Burrill Hill Road. 325 cubic yards of ledge was blasted and removed from the road and a new drainage system was put in place. The road was initially paved and will receive additional pavement in the spring of 2014. We have been experimenting with liquid calcium as a means of dust control during the summer months. We have had great success with this practice and feel that it will reduce costs for the future.

Ditching and shoulder work was performed on Father Rasle Rd, Oak Hill Rd, Sandy River Rd, and Winding Hill Rd. We would like to take this opportunity to remind residents to be cautious of placing objects within the road side ditch line, also known as the Town's "right-of-way". Leaves raked into ditches and snow plowed across or into the road has detrimental effects on the efficiency of our road system. Blocked culverts lead to wash-outs and expensive repairs. Snow can create a traveling hazard to other motorists and additional clean-up costs.

Please remember that if you need a new or upgraded driveway entrance to contact the Town Office for a Driveway Entrance Permit. There isn't a cost associated with the permit at this time, it simply allows us to ensure that you have the appropriate size and pitch for proper drainage.

We spent a great deal of time this year working with the Maine Department of Transportation and Summit Natural Gas contractors regarding construction projects in Norridgewock. The 2014 construction season will require us to continue with this practice.

In October of 2013, construction on the much needed new addition to the Public Works garage started. The exterior walls and supports for 3 new bays are in full swing. Due to construction costs, we are asking for additional funds at the Annual Town Meeting to complete construction on the interior of the facility. The ability to store Town equipment inside and the addition of a wash bay is one of the best ways to sustain the investment of your tax dollars.

We would like to thank the Norridgewock residents, Selectmen, Town Manager, and Town staff for their support and wish you a safe year.

Respectfully submitted,  
Public Works Department

## CEO REPORT FOR 2013

The Code Enforcement Department through the Code Enforcement Officer is responsible for issuing building and plumbing permits and subsequent inspections along with land use and health issues. The reporting of numerical facts by themselves does not give the complete scope of operations: so the facts will be presented along with additional information that may help broaden ones understanding of this Department and show the use of your tax dollars.

THE FACTS: 42 plumbing permits; 46 Building/Construction Reports issued; 7 Health Issues and 14 Land Use Issues. Plumbing permits for a Septic System or Internal Plumbing require anywhere from 2 to 6 inspections depending on type and workmanship.

The Code Enforcement Department in conjunction with the Town Manager and with the unanimous support by the Select Board has instituted a town wide campaign to remove ALL illegal Junk Yards. Progress has been made and will continue until all the illegal junk yards have been removed. If one has more than two unregistered vehicles or accumulated junk on their property they constitute a junk yard. If in doubt, that your property may be classified as a junk yard, contact the CEO for a review of you situation. Consent agreements are used to give the lot owner reasonable time to clean up and avoid court cost and fines.

The CEO has been working with the Pipe Line Company to assure that material staging areas minimize highway contamination (dirt, etc) and environmental impacts. Compared to some surround municipalities this has been a success.

The Department is currently working on 45 open cases (junk yards not included) Shore Land Zone, Flood Plain, Sub Divisions, Mobile Home Parks, etc.

The Department has been working with the "Legal Aid for the Elderly" in situations where the CEO can help. A working relationship with the Forestry Service has been newly developed to review forestry operations in cutting and environmental issues.

During the year (2013) the CEO has been working, when needed, with the Planning Board and in 2014 will be working through the Chairman of the Board to develop a more proficient application process and to remove redundancy between Departments.

The Code office is open Tuesday's 9 am to 4pm and Thursday's 9am to 6pm. Anyone is encourages to call or come in when they have a question. We are here to serve you  
Thank You

Frank Tracy  
Code Enforcement Officer, Local Plumbing Inspector, Building Inspector, Health Office and Planner.

## Norridgewock Waste Water Treatment Facility

The Waste Water Treatment Facility has had some major changes this year.

In June of 2013, Mitchell Cole, Waste Water Superintendent/Operator retired. Mitch was a valued Town employee for 20 years and will be greatly missed.

David Fowler, Assistant Operator was able to cover the plant during this transition. The search for a new superintendent proved difficult due to the limited number of qualified individuals in this complicated field of work. With the assistance of Maine Rural Water and the State of Maine's Department of Environmental Protection we were able to take an "outside the box" approach to filling our facilities needs and in October of 2013 the Town of Norridgewock was pleased to hire Heinz Gossman, Jr. as its new Waste Water Treatment Superintendent/Operator. In addition to Heinz, we have also hired Richard Benzell on an as needed basis. Richard has over 30 years of experience in the waste water field and is a tremendous asset to the Town.

The Sewer Use Charge Rates that are assessed to individual users of the WWTF are intended to cover all annual expenses including Capital Reserves Funds. This year the Sewer Commissioners decided to keep the 2013 operating budget the same as in 2012 in order to not raise Use Charge Rates, however this meant that for the second year in a row we have not put aside any funds for capital improvements. Recent inspections have reported that the WWTF past practice of delaying major plant maintenance/upgrades due to lack of funding is starting to catch up to us. We are in need of some very costly upgrades of components that are no longer serviceable due to being outdated or obsolete. Staff is currently working on a plan for these upgrades and their associated costs.

I am happy to report that for the first time in nearly 20 years the WWTF collected enough revenue in 2013 to cover the cost of annual expenses, which means that the Town's General Fund did not need to cover the facilities bills. The current Town Treasurer has been filing liens on outstanding balances that are more than 90-days past due, thus securing our ability to collect this debt in the future through the foreclosure process if necessary. This practice has caused many people to pay-off older balances that we are unable to lien and has started reducing the WWTF's debt. At the end of the last fiscal year, 12/31/2012 the outstanding balance of bills from 2011-2007 was \$15,298.18. At the end of this fiscal year, 12/31/2013 the balance of bills from 2011-2009 was \$3,876.74. That's \$11,421.44 collected and cleared outstanding balances from 2007 & 2008.

Our problems with flushable wipes has continued to improve in 2013, however we are requesting that you continue to refrain from disposing of these types of materials into the sewer system.

Please remember the pool flow meter that is available for people when they fill their swimming pools. Contact the Town Office about using this meter, so that you can save on your sewer bill.

We will continue to work diligently to keep operating costs low and efficiency high.

Respectfully Submitted,

Waste Water Treatment Facility Staff

### Central Maine Regional Airport 2013

Happy New Year! 2013 was a very busy and productive year for the airport. The airport had its main runway reconstruction completed in September of 2013. This was done by an FAA Grant. 95.5 percent was paid for by Federal and State funds giving the Town of Norridgewock more than 3 million dollars in assets to the airport. Tree removal was done around the airport for glide slope safety areas. You can see a great picture of the airport from an aerial view on the Face Book page. I find that many local people don't realize how many aircraft and hangars are in Norridgewock. In 2013, there were 58 hangars and approximately 60 based aircraft (including light sport, ultra light, gyrocopter, experimental and other aircraft)

The fly in was canceled due to construction, but will be back in August of 2014. Hope to see you there!

The airport continues to grow and update to be competitive with area airports. Fuel sales of non-ethanol gas were again available to the public for purchase. This has helped many save small engines from the damage caused by ethanol fuel. We hope to be able to purchase it again in May of 2014.

Power was run beneath the taxi way during the fall, to provide electricity for the 9 new hangar lots. We hope this brings in pilots looking to build hangars at Norridgewock. We often get calls of people looking for hangars to rent, but often the hangars already have tenants, and space is limited.

Maine Warden Service, Maine Forest Service, Maine Criminal Justice Academy and Maine State Police continue to rent the airport for training.

This year we have had several Patient Airlift Service flights from Norridgewock. P.A.L.S is a non-profit organization that pilots volunteer their time and aircrafts at their own cost, to take patients to treatment centers around the country. There have been more than 20 patient flights from Norridgewock, just since September. These flights help our community members who are unable to travel commercially due to financial reasons, or due to complications of their illness. We are very thankful to P.A.L.S and the pilots for their service and commitment to helping people in need. If you know anyone who may need help getting to services they can't receive locally, please look at the Patient Airlift Services website. [www.palservice.org](http://www.palservice.org) or email [info@palservice.org](mailto:info@palservice.org)

I hope 2014 is going to be a great year. We hope to plan some great events at CMRA this year.

Kristina Wallace- Airport Operator

## 2013 REPORT OF THE NORRIDGEWOCK FIRE DEPARTMENT

*The Norridgewock Fire Department would like to thank the community, business owners, mutual aid towns, along with our Firefighter families for their continuous support throughout the past year.*

**Website:** Contains a wealth of information about the Department and links to some educational interests. This site is linked from the Town of Norridgewock's official site at <http://www.townofnorridgewock.com/>. We are always striving to improve this site.

**Carbon Monoxide** (CO): You cannot see it, taste it, smell it, as it is the silent killer. Please, if you lose your electrical power and run a generator, operate your vehicle, motorcycle, snowmobile, etc. PLEASE operate it **OUTSIDE** and not inside your home, garage, or cellar. Be sure the generator is properly installed by professionals. Also do your family a favor and purchase a carbon monoxide detector for that peace of mind. It could save your life! If you think you may have CO in your home, some of the symptoms may be nausea, fatigue, dizziness, or headaches. EVACUTE immediately and call **911**. Go to [Maine.gov](http://Maine.gov) for more info.

**Burn Permits:** Fire / burn permits are available at no charge for the citizens of Norridgewock wishing to burn leaves, brush, etc. Personnel authorized to issue permits are listed at the Town Office and on our website. You can also go online to receive a permit for a nominal fee. That site is at <http://www.maine.gov/burnpermit/> ***Remember: it is illegal to have an outside burn without a proper fire / burn permit and burning of any garbage is prohibited.***

**Fire Hydrants:** A fire hydrant is one of our first lines of defense when it comes to fires. They are located strategically throughout the town for use of Firefighters. Please, please, please, help us keep them free of snow, ice, bushes, etc. You can do your share and "adopt a fire hydrant" by keeping it clean and don't plow / snowblow snow onto or near it. You never know when it may be your neighbor's house or even yours!

**Fire Safety House:** As always is a big hit every year with visits to area Fire Department's during *Fire Prevention Week* in October. This is funded by donations only of the users for the upkeep of this marvelous training aid for the young and old. Sadly, the state recorded 18 fire deaths in 2013. Be sure you have working smoke detectors along with fresh batteries. Let's bring these numbers down to zero with education!

**Egress:** Don't forget to have two ways out of your home in the event of a fire. Keep snow and ice from building up and making that exit passable. Same as the inside.....keep furniture and items away from the door so it can be accessible.

I would like to recognize the *Mercer Community Emergency Response Team* (C.E.R.T.) which assists us in our time of need such as major fires and motor vehicle crashes. Also the "team" helps at our Towns' parades and special events. *We all thank you for your dedicated and professional service!*

***As a reminder, we want to stress the importance of dialing 911 instead of any other non-emergency number. Our Department is not staffed at the station on a regular basis so it is imperative for everyone to call the emergency phone line at 911 to expeditiously start the emergency services in the quickest means possible. Our non-emergency number is 634-2208 and you can also call the non-emergency Somerset Communications Center phone number at 474-6386. If you wish to speak to a Firefighter during normal business hours, please call the Town Office at 634-2252.***

## Norridgewock Public Library

The Trustees of the Norridgewock Public Library express their appreciation to the citizens of Norridgewock for their continuing support of our library. We also would like to thank the Village Improvement Society for all the help they have given us; it is greatly appreciated. We also would like to thank all the many individuals who have been so generous with their time and money in support of our library. The Trustees also thank Mr. Kent Sinclair for his services this past year as our Librarian.

The Stephen & Tabitha King Foundation generously awarded a \$25,000.00 grant for the purpose of refurbishing the Sophie May Library. This historical building will receive much needed repairs; a new electrical system will be installed to better accommodate computers and improve lighting for our patrons, as well as a security system which will help protect the library from fire, flood, and theft.

This year a "Check-Out Seeds" program was begun with the hope of encouraging gardening for fun and to promote healthy eating habits. We will continue this program in conjunction with additional input on gardening and nutrition from the Somerset County Extension, and the children's program that we hope to have in place this summer.

The Library has been chosen by the Maine State Library to receive the Interlibrary Loan Van Delivery Service at no cost to the patrons or the library. This is a big help for those of you who wish to read books our library doesn't carry.

We have been happy to have our State Representative Ann Dorney visit the library on the first Saturday of each month from 12 to 2 to listen to and speak with anyone with concerns that they may have in regards to State Government.

This past year we have served around 4000 patron visits in our library and given out 82 new Library Cards! So, if you don't have yours, you might want to come in and see what you are missing! We also have four computers for patron use, plus WiFi for those who wish to bring in their own laptops.

We look forward to an open session with a representative from the State Library showing us how to use Nooks, Kindles and Ipads, etc. We will advertise when this will take place so you can mark your calendars.

The Norridgewock Public Library is open on Tuesdays and Thursdays from 10:00AM till 6:00PM, and Saturdays from 10:00 till 2:00PM. The Sophie May Library is open on Wednesdays from 10:00 till 2:00.

## NORRIDGEWOCK RECREATION COMMITTEE

January, 2014

Dear Citizens of Norridgewock,

With the end of the year and the holiday season behind us, we reflect back on the fun and accomplishments enjoyed by the children of our communities through the Norridgewock Recreation Department programs. Our recreation programs enjoy continued success thanks to the participants who return season after season to enjoy the activities offered. All of the programs we offer have continued to grow in numbers, and it is exciting to see all of the kids, coaches and volunteers learn and grow through our programs.

### SPECIAL THANKS

Everything we do within the Norridgewock Rec. Department would not be possible without the help of volunteers. There are many other events and situations that would not have been possible without volunteers as well. Many residents, businesses and organizations have stepped up to make our programs grow and succeed. Many are well known, some are not. We made many improvements last year, and are encouraged as we look ahead to the challenges of 2014 and beyond. Whenever someone contributes their money, materials, equipment or time, no matter how large or small, it all adds up to make a tremendous difference. We sincerely thank each and every one of you.

Respectfully submitted,  
RECREATION COMMITTEE:

### **Norridgewock Community Food Cupboard**

The Norridgewock Community Food Cupboard is a non-profit organization that follows federal guidelines. Any person that would like to sign up for food baskets must meet these federal requirements. All clients must show proof of income and proof of residency. New income guidelines change every July.

The food cupboard is open the first four Tuesdays of every month. If there are five Tuesdays in a month, we will not be open that fifth Tuesday.

Our hours are 9:00am to 11:00am on the first and third Tuesdays and 9:00am to 10:00am on the second and fourth Tuesdays.

During the year 2013, 36 new families qualified to receive two food baskets per month. The total number of baskets given out in 2013 was 1045.

The food that is given out is made possible by the generosity of local businesses, organizations, churches, the town, and private individuals. We are also blessed with various food drives. Thank you all for your support.

Finally, we want to thank our volunteers who do so much in helping us to stay organized. We realized 979 volunteers hours this year. These volunteers along with volunteers from New Balance perform duties that require a lot of physical strength. We appreciate the caring and selflessness of our volunteers. It is with their support that the NCFC has had a successful 2013.

Director Alfred Cochran

ADVENTIST COMMUNITY SERVICES

We have a service in our community that some are not aware of. The building is on RT. 2 west, about one mile from the light. Ten years ago, I was one that was asked to work there and also improve the building. About a dozen men volunteered and we have a nice, 30 FT. addition, which is used consistantly.

Our services include helping fire victims with personal kits, bedding, clothes, bath and kitchen needs. We are open Mondays from 10:00 - 2:00 and Wednesdays from 1:00 - 3:30. Our staff consists of five women who work routinely and four others that help out. Our husbands are busy, as well! Clothing that we have no need of is shipped up north in a tractor-trailer.

On a routine day, we will serve over fifty people and donate over 300 pieces of clothing. We rely on contributions of clothes. There is a bin in the front for that purpose.

“United ways of Maine” or 2-1-1 have included us as one of their resources. The following is a report for 2013. Clients: 3,429 Items Donated: 14,747 Hours Donated: 895

Thank You,

Bette Emerson, Dir.

## Norridgewock Village Improvement Society

The Norridgewock Village Improvement Society, active in our Town since 1892, has completed another successful year.

Some of our Meetings this year were held at the Sophie May Library, enjoying the many volume's of our Town's history there and the many years of the history of the Village Improvement Society. We have enjoyed Pot Lucks at members homes along with our business meetings. In February we meet at the Town Office with our Town Manager, Michelle Flewelling, for a very informative meeting on town issues.

This past September the VIS was awarded The Spirit of America Award. This was in recognition of our many years of community service. We are proud of our Club's accomplishments through out the years and, although a small group, we continue to serve our Town.

This year, with Members dues, the silver collection and our various Bake Sales, we were able to award a scholarship to a Norridgewock student, support the Sophie May Library Restoration, The Norridgewock Christmas Giving Tree Program, and decorate the flower boxes at the Town Office as well as Sophie May's grave. We are also sponsors of the Cancer Awareness Garden and the Norridgewock Historical Society's Homes Registry Booklet.

We were saddened by the death of the Town of Norridgewock's Boston Post Cane Holder and our long time member, Aileen Murray. A book in her memory will be donated to the Norridgewock Public Library.

Current Officers are:

President: Sallie Wilder

Vice Pres. Dawn Smith

Secretary: Reta Thebarg

Treasure: Kay Laney

We meet the second Thursday of each month February through November and welcome new members to join us. For more information, please call Sallie Wilder 634-2215 or Reta Thebarg 634-3871.

Our most sincere thank you to the citizens of Norridgewock for their generous support.

Respectfully Submitted,

Reta Thebarg
